**RE: Nominations for Board**

Our school is governed by a Board of Trustees whose responsibilities are the overall operation of Cobblestone. Today, we are seeking nominations, including self-nominations, for individuals to join the Board and who will be elected at our annual meeting this spring. A copy of the member expectations is also provided for your review.

As you consider nominees, please know that we are seeking individuals who:

- Come from diverse backgrounds (race, ethnicity, sexual orientation, age, gender, etc.)
- Represent a range of expertise (management, arts, entrepreneurship, legal, etc.)
- Hold experience in non-profit board service
- Include a range of qualities including leadership skills, willingness to work for the school, personal connection with the school's mission
- Possess the ability to provide resources (ability to make financial commitments, may have access to other resources, willingness to ask for support)
- Maintain community connections (media, education, social services, arts, legal, environmental/green, corporate, etc.)

Interviews will be held for those nominees who are interested in Board membership and we will be recommending a slate of candidates to the Cobblestone Community at its annual meeting. Please return the nomination form below *no later than March 13* to the Governance Task Force, Confidential, c/o the School Office. Or email nominations: Cynthia Woolbright at [cynthia@woolbrightgroup.com](mailto:cynthia@woolbrightgroup.com) Thank you for your support and interest in Cobblestone School.
